**By Gordon Grice : The Red Hourglass: Lives of the Predators** another airline passenger shamed for shoving feet through armrests you may recall back in july on a jetblue flight from long beach to san francisco passenger latest breaking news including politics crime and celebrity find stories updates and expert opinion The Red Hourglass: Lives

of the Predators:

1 of 1 review helpful Somewhat disturbing but well written and informative By P Mann This book came to my attention when someone on an online mailing list devoted to arachnids mentioned that she had started reading the book and found it upsetting perhaps because she is just too tender hearted where arachnids are concerned Even before reading the book I found another warning this one prominent on the dust j Snake venom that digests human flesh A building cleared of every living thing by a band of tiny spiders An infant insect eating its living prey from within saving the vital organs for last These are among the deadly feats of natural engineering you ll witness in The Red Hourglass prize winning author Gordon Grice s masterful poetic often dryly funny exploration of predators he has encountered around his rural Oklahoma home Grice is a witty and intr com Gordon Grice a young essayist from rural western Oklahoma writes winningly of insects in all their glory basing his narrative on lifelong observations of creatures such as the black widow praying mantis brown recluse and the occasional human being
