By Sela Weidemann : ROCKS HEAL!: The Science of Rock-Medicine i chose today's featured fakes bc these seem to be showing up quite often at the gem shows and in my student forums or in our various hibiscus moon private facebook photographs of native american rock art sites in california show the history of the region going back

thousands of years ROCKS HEAL!: The Science of Rock-Medicine:

0 of 0 review helpful This is Sele s second book which I eagerly awaited By Virginia Wald This is Sele s second book which I eagerly awaited I have been into rock medicine ever since I read her first one Rock Medicine differs from other ideological schools of thought regarding crystal and stone influences Over time the science behind Rock Medicine has gained legitimacy by identifying that minerals are precision chemical instruments capable of balancing one rsquo s mind body and spirit to a state of well being through a system devoid of mysticism subjectivity or illusory conventions The laws of chemistry and the laws of quantum standard physics unite the fun About the Author Sela Weidemann her name literally translates to rock shepherd Sela was born and raised in the Philadelphia area where her father worked as a chemist and patent attorney In her early twenties she attended a lecture on the Hypothesis of He
