River Apurimac: The First Navigation of Upper Amazon Canyons:

0 of 0 review helpful I ve been there This book is the real thing By John Szwaronek I ran all the whitewater on the in the late 1990 s early 2000 s in several stages obviously We brought along extracts from this book for the section from below the source to where the commercial rafting runs start The book is so accurate I was able to tell the water level we experienced was about 6 inches lower than theirs I wish I Book by Giddings J Calvin
