The Voice of the Coyote, Second Edition:

2 of 2 review helpful The Voice of the Coyote rings clear in the 21st century By yippingyote I purchased this book to reference in an art history term paper on Joseph Beuys for some supplemental insight into the mythos of the coyote I wound up getting distracted by this book and procrastinated finishing the paper to read it Yes it s that good This book has definitely aged well The text is well written and In The Voice of the Coyote J Frank Dobie melds natural history with tales and lore in articulating the complex and often contentious relationship between coyotes and humans Based on his own life experiences in Texas and twenty five years of research Dobie forges a sympathetic and nuanced picture of the coyote prefiguring later environmental and conservation movements He recognizes the impact of human action on the coyote while also examining the prominen
