3 of 3 review helpful Bighorn Sheep By Mary Lawrence I was looking for this specific book because of the knowledge of the authors about bighorn sheep I am specifically interested in Rocky Mountain Bighorn Sheep The authors are PhD level scientists and well known authorities on bighorns sheep But this is not a dry text book I especially enjoyed the presentations describing how plentiful bighorn sheep have been historic Sheep are considered by many to be among the most regal of all game animals One of the most important success stories in wild game management has been the recovery of our wild sheep populations Return of Royalty Wild Sheep of North America is a celebration of the return of wild sheep to many of its historical ranges The unregulated hunting of the pioneer days and disease from the

introduction of domestic livestock nearly decimated wild sheep populations in From the Back Cover This book is a celebration of the return of wild sheep to many of its historical ranges The remarkable recovery of our wild sheep populations have been documented by two widely respected wildlife biologists and provides fascinating acc
