By Jeffrey A. Scovil : Photographing Minerals, Fossils, and Lapidary Materials photos of opal many types of popular and colorful opals from localities throughout the world jul 08 2017nbsp;pjosephs weblog on colored stones diamonds gem identification synthetics treatments imitations pearls organic gems gem and jewelry enterprises

Photographing Minerals, Fossils, and Lapidary Materials:

13 of 14 review helpful A useful guide By A Customer This book by a photographer of minerals very well known to readers of periodicals such as the Mineralogical Record is a useful introduction to the subject If you do not have a full set of back issues of the Min Rec this will tell you how to get high quality examples of the rather stylized genre of mineral photography However there really is not all that much Book by Scovil Jeffrey A
