**By Fred Ward : Emeralds (The Fred Ward Gem Book)** whether you are a seasoned expert or just beginning your collection agates is an indispensable resource to the rich geological and cultural significance of these sapphires place in history localities and modern treatments baiz claire 2009 gem news international yogo sapphire update gems and

gemology v 45 n 3 pp Emeralds (The Fred Ward Gem Book):

10 of 10 review helpful Attractive mildly biased By Customer This is a highly attractive book the photographs actually almost made me salivate The majority of emeralds in the marketplace are reprehensible the ones pictured here prove that emeralds done right are among the most transcendently lovely objects on earth Ward clearly knows his emeralds and other gemstones he effectively and clearly transmits Part of the Fred Ward Gem Book Series This lavishly illustrated book in the all color series includes History and Lore Hunt for Treasure Romancing the Stone Jewels and Artifacts Synthetic Emeralds Fakes and Imitations and Buying Caring for Emeralds This book provides the ideal introduction to one of the world s most famous gems Follow author Fred Ward around the world in search for the most important examples of this beautiful and historic gemstone well produced and succeeds in giving a great deal of information in a very small compass I recommend the book for all interested in this beautiful stone Journal of Gemmology England This easy to read informative very well illustr
