By Merlin D. Tuttle, Donna L. Hensley : Bat House Builder's Handbook 2 building a bat house why build a bat house many people do not want bats roosting in their homes but often still want bats around whats a good way to mounting a bat house on your property is the perfect way to help bats who are in need of a safe place to live while protecting your yard from pesky Bat House Builder's Handbook:

7 of 7 review helpful Good plans for a simple Bat House By RayH I live in the South in the country and near a water source That equates to a mosquito population that just don t suit me at all The only creature I know of that really

enjoys a good mosquito dinner is the bat So bats are my friends I wanted to attract more bats no caves that I know of in the area so I decided to build a few bat houses the ones I fo The definitive source for bat house information Based on research conducted by BCI it contains the results from the first of its kind study on bat house occupancy Includes plans mounting suggestions tips for experimentation research findings frequently asked bat house questions and information about bats most likely to use bat houses About the Author MERLIN D TUTTLE an internationally recognized authority who has devoted his life to studying bats and to educating the public about them is President and Founder of Bat Conservation International in Austin Texas
