By Shawn Alli : Oil, The 4th Renewable Resource renewable ri noo bl nyoo adj 1 capable of being renewed a renewable membership; renewable subscriptions 2 relating to or being a energy is the vital force powering our society industry and eventually our day to day life broadly energy sources can be classified as non renewable and renewable

Oil, The 4th Renewable Resource:

3 of 4 review helpful After having read this and other books in the By M Degani After having read this and other books in the same area I can only hope that people will be open minded enough to read a book that contradicts everything they have been brain washed to believe in To those who accuse the author of NOT being a scientist yet promoting a scientific theory I can say that I AM a scientist who sp The first and last book you ll ever need to understand oil and the myth of fossil fuels The myth of fossil fuels and peak oil has been a part of the North American lifestyle for almost 100 years Beginning first in the schools children are anxious for an education but instead are indoctrinated to believe this deception As a student grows up they hear the same message propagating through governments media and various interest groups eventually accepting it as a sc Oil The 4th Renewable Resource is an indispensable book building on the works of Thomas Gold and Nikolai Kudryavtsev in the quest to prove oil as abiotic This is an issue shunned by mainstream media and the education system who continue t
