1 of 1 review helpful Some outdated and in my opinion inaccurate information By Mountain Woman Some outdated and in my opinion inaccurate information From other research I found this to be way off base regarding tektites especially Moldavite I tossed my copy of this book in the recycle bin rather than giving it to my library for their book sale because I didn't want potential newcomers to be misled 2 of 2 In the highest sense gems and minerals are vehicles for non physical energies Healing Stoned explicitly describes the esoteric influences of over 80 common and not so common gemstone energies
