24 of 24 review helpful For those who THINK that they know everything about Turquoise By CWR This is the same review I gave to Turquoise Unearthed and for all intents and purposes they could be classified as companion volumes both doing an exceptional job in words and images I have been a gem and mineral dealer for over ten years and a

rockhound for a lot longer than that but this book taught me m This second edition of The Allure of Turquoise offers an illuminating look at the cherished gemstone that has come to symbolize the culture and history of the Southwest The powerful allure of New Mexico rsquo s crown jewel comes alive through a diverse collection of feature stories contributed by some of the state rsquo s best writers Their work delves into many facets of turquoise from the miracle of its geological creation and its centuries old mi From the Back Cover If someone had to pick a symbol of New Mexico s timeless quality turquoise would rank right at the top The mineral enthalls modern man just as it charmed the Anasazi who lived in the great stone structures of Chaco Canyon Even insects at
