**By Chris Harvey and Pieter Kat : Prides: The Lions of Moremi** Prides: The Lions of Moremi:

0 of 0 review helpful Photoscience By Paal Skjetne Chris Harveys photographs beautifully illustrates the new insight into the facinating social lives of lions on the eastern flank of the Okavango delta Several of the methods used by Pieter Kat s group while working in the area were ground breaking Readers might also find interest in reading what its like to be the children of researchers like the Kat s working in the bush Illustrated with two hundred color photographs this striking volume reveals the worlds of four neighboring prides that roam the diverse habitats of Botswana s Okavango Delta Drawing on continuing field research begun in 1995 Pieter Kat shows how Okavango lions challenge long held assumptions about sociability mating strategies and hunting techniques Pride males readily mate with females from other prides females often leave their offspring vulnerable to predators
