Esoteric Mineralogy:

In the Revelation of St John spiritual worlds and spiritual entities appear both in images of the sensory world and in images of the mineral realm This book disusses these two sides of world manifestation This book juxtaposes the objects of sensory appearance and natural scientific research with sayings from the Revelation of St John to express the joint background of the appearances When we connect one with the other it can lead to an encounter with the essence About the Author Friedrich Benesch 1907 ndash 1991 was born in a German speaking part of Romania and earned doctorates in biology theology and anthropology He was later ordained in The Christian Community and became the leader of its seminary in Stuttgart i
