By Timothy Edward Fulbright, J. Alfonso Ortega-S. : **White-Tailed Deer Habitat: Ecology and Management on Rangelands (Perspectives on South Texas)** White-Tailed Deer Habitat: Ecology and Management on Rangelands (Perspectives on South Texas):

1 of 1 review helpful Great White tailed deer areas were they were seen or hunted in Texas By Dawn Elaine Martin Nicely written and interesting book on the White tailed Deer in the state of Texas Nice black and white photos of the deer and hunters 3 of 5 review helpful Excellent reference and nice authors By MJP This is a great reference book for anyone interested For most of the last century range management meant managing land for livestock The best measure of success was how well a landowner grew the grass that cattle ate In this century landowners look to hunting and wildlife viewing for income rangeland is now also wildlife habitat and landowners are managing their land not just for cattle but also for wildlife most notably deer and quail Unlike other books on white tailed deer in places where rainfall is relatively h a splendid reference for the classroom and those who make their living from wildlife and the land James G Teer Professor Emeritus Wildlife and Fisheries Sciences Texas A M University There is no other text that addresses the
