By James Magnuson : Agate Hunting Made Easy: How to Really Find Lake Superior Agates the anishinaabe also known as the ojibwe or chippewa have inhabited the lake superior region for more than 500 years they were preceded by the dakota fox come on in to learn about rocks rock tumblers and polishing rocks from people who always have several tumblers running Agate Hunting Made Easy: How to Really Find Lake Superior Agates:

9 of 9 review helpful Very nice By Kris I saw this book in the store and really liked it because of the pictures they

have in it but it was too much so I checked for it on and it was a lot cheaper so I got it It s a very good agate guide 8 of 8 review helpful Excellent reference By Melenda R Smith This book has all the information needed for beginning or long time a You ve admired agates for their color and beauty now learn how to find your own Unlike other books Agate Hunting Made Easy provides step by step instructions to help you turn those once frustrating agate hunts into successful ones You ll have an experienced collector Jim Magnuson as your guide He will show you photographs by Carol Wood of what rough agates really look like in the field His tips will help you recognize agate imposters tha
