Are you harnessing the power of a journal? If you are going through life right now feeling like everything is out of control or that things are not happening the way you planned you need a journal. I don't mean to be too direct but it is time for you to discover why you feel the way you do and then figure out what to do about it. Or you can just write stuff in it. The great thing about a lined journal is you can make it in. About the Author Blank Book Billionaire is the creative force behind many different types of blank books or utility books as some people call them. They focus on creating books that help people express themselves or simply keep track of things. The sky is the li
