0 of 0 review helpful Better than other early readers By Elizabeth A Simpson I wanted a dinosaur book but this is a

museum book If you are in a spot where people are disputing dinosaurs existed and the kids want to read all about them this might just fit that gap Because while you can say there were no dinosaurs you can t say there are no dinosaur museums 1 of 1 review helpful This is Describes how dinosaur fossils are found prepared and displayed in museums and what you might see at a dinosaur museum Includes visual literacy activity From Booklist Dinosaur books are a dime a dozen but this entry in the My Community series stakes a place by centering action not back in the Jurassic period but in a place kids can visit the local museum The le
