By Paul Chambers : British Seashells: A Guide for Collectors and Beachcombers British Seashells: A Guide for Collectors and Beachcombers:

Using original Victorian prints by collectable artist George Sowerby marine biologist and author Paul Chambers has

produced the first comprehensive guide to shells for over a century The original prints are intricately detailed much better than photographs which lack the exact detail of these drawings and are a selling point in themselves but will be complemented by informative but accessible text including families and to show what rsquo s edible dangerous or bel
